

The students are busy engaging in our Construction Unit. Here is a quick preview of what we have been doing in some of our different centers. In the Drama area, students are acting out The Three Little Pigs. Students recently heard a few versions and are working together to create their own reenactments. Our writing center has recently been transformed into a design center. The students use this space to look for inspiration, draw their plans and then execute their ideas in other areas of the classroom such as the block area. Students have become familiar with a poem called Construction Vehicles during whole group instruction. During independent work time the children are able to read the poem, illustrate and highlight sight words at the Word Work center.

**Writing:**

The students have been working hard on their own how to stories. Some of the topics include: how to make cookies, brush your teeth, ride a bike. We look forward to sharing the finished products with our families.

**Please Save the Date:**

**Our Construction Unit Showcase:**

**Wednesday, April 6<sup>th</sup>**

**Reminders:**

If you have not done so already, Please send in permission slips for our walking field trip this Tuesday, Feb. 2<sup>nd</sup>.

**Star Student**

**Room 105**

**Sophia**

**Read Aloud:**

**The True Story of the three little pigs**

**Vocabulary: Neighbor, secret, Perspective, Character**
